

AGE CONCERN EPSOM AND EWELL

Welcome to the ACEE Autumn / Winter BUMPER EDITION Newsletter

DORAH MAY HANCOCK
CHIEF OFFICER

MEET THE TRUSTEES
CHRISTINE CLEVELAND

2021 has been a challenging year for Age Concern Epsom & Ewell with fundraising still being impacted by the pandemic and with the demand for our services continuing to increase.

Our services are all up and running as usual now and our offices are open to visitors once again. It has been lovely to see clients come back to us for face-2-face appointments and for our office to be back at full capacity.

Our Men's Group have been busy with day trips and meals out and our Monthly Sunday Tea events started up again during the summer. We have vacancies for clients to attend our monthly Sunday Tea, so if you or someone you know would like to attend, please do get in contact with us on 01372 732 456. Assisted transport is also available for the Sunday Tea event on a first come first served basis and needs to be pre-arranged.

There has been so many events and activities taking place during the summer and early autumn which I am sure you will enjoy reading about as well as future events in this bumper edition newsletter.

Thank you for your ongoing support.

I am delighted to be a newly appointed Trustee for Age Concern Epsom and Ewell (ACEE).

As one of the local Residents Association Councillors for Ewell Village I am increasingly aware of how many older residents we have across the borough. Of course although we say 'age is just a number' and many of our older colleagues appear to be fit as a fiddle and require little support we do have a growing number of vulnerable older residents who really benefit from the extra valuable support that an organisation like ACEE is able to offer.

So what can I bring to the table? Well for the last 7 years I was the CEO of another Surrey based charity that supported Carers - Crossroads Care. I stepped down from that role last year and have now partially retired. I also have a background in education, health and social care so I hope I can offer some of that experience to support the vision and work of ACEE.

We certainly face some challenging times ahead but I am confident that with the incredible team at ACEE we can face the future with confidence that the good work already happening will continue and grow.

INFORMATION & ADVICE HELPDESK

Our Information & Advice helpdesk has been very busy during the pandemic, with the helpline being extended by an extra 3 hours every weekday during the height of lockdown. However, now that the government restrictions have been lifted, our offices at The Old Town Hall are open once again for face-to-face visitors, Monday - Friday between 9:30am until 1pm.

Our Information and Advice Officer Sue and her team of I&A volunteers are trained to assist our older community with a wide range of issues that affect those in later life.

If you or someone you know may need any information or advice, no matter how small, please call us on 01372 732 456.

FOOT CLINIC

With restrictions lifting and with people feeling more confident attending appointments, our Foot Clinic, based at the Community & Wellbeing Centre is getting busy again.

Due to demand, we have updated the days in which we will open our foot clinic.

Our new opening times are:

- Wednesday -All day
- Thursday - Morning appointments only

To find out more about our foot clinic, the services we provide and the fees, please contact our information and advice desk on 01372 747 077.

MEN'S GROUP

Our Men's Group Coordinator Dawn Ferris has been busy planning an array of activities and trips for our members to take part in. The men enjoyed a recent trip to Brooklands Museum, as well as a lovely meal out at The Cricketers. Future planned activities include a trip to the Cockney Museum in Stoneleigh and The Woodman in Ashted. Providing regular social activities for the older men within our community is very important and highly beneficial to those who take part. To find out more about the Men's Group or to register for future events please email dawn.ferris@ageconcernepsom.org.uk or call 01372 732 456.

HEARING AID BATTERIES

During lockdown, we were very busy providing hearing aid batteries for clients via post. However, with our offices now back open to the public, clients can now collect their FREE hearing aid batteries directly from us - appointments are not necessary.

Our opening times are Monday - Friday 9:30am - 1pm.

MEET SAL BACON HOME VISITOR

"I've volunteered for Age Concern Epsom & Ewell over the years, as part of their famous 'Fruit Machine' raising money at events and also manning the Grand Draw at Age Concern's 70th Golden Days Anniversary Festival celebrations. At the start of Covid, I helped the office by making many welfare calls to our clients, to make sure they were alright and had support, food and medication and knew our telephone number, in case they needed us for anything.

Since August 2020, I've been volunteering as a receptionist at the Age Concern Foot Clinic at The Community & Wellbeing Centre, which I have really enjoyed, particularly as it was one of the few opportunities I got to meet people during the pandemic - a win-win all round.

In fact, I enjoyed volunteering for Age Concern so much, I decided to apply for the staff role of Home Visitor, helping clients apply for Blue Badges and benefits such as Attendance Allowance, Pension Credit, Council Tax reductions, etc.

So far, it's been lots of fun, and not only do I get to meet our lovely clients, I also get to help them claim benefits which will make their lives easier, many of which are non-means tested. So, if you think I may be able to help you or you know of someone who may need our support, do telephone our head office on 01372 732 456 and I will arrange to visit you and assist with your applications.

VOLUNTEER INSIGHTS MEET BRIGID RYAN

"A few years ago, I was winding down a project at work so I had some time on my hands. I wanted to get to know more about Epsom and my community and so looked for local volunteering opportunities. Age Concern popped up in my search and after an interview with the Volunteer Coordinator, I became part of a truly wonderful team.

I didn't have a strong preference for a particular job, so I was loosely allocated to 'office duties'. I've had the opportunity to try my hand at all sorts of things in my two and a half years of volunteering: booking in and driving clients to medical appointments; working in the foot clinic at the Community & Wellbeing Centre, administrating the Will Writing service and managing the monthly Lottery Club.

Highlights for me have been driving people to get their covid vaccinations and shopping for isolating people during the first lockdown. I recently had my first baby and not only have I found incredible support from the ACEE team, but it's been so nice to be able to retain a bit of my former life by continuing with my voluntary work. I've made some great friends and can always be sure of a chat when I pop into the office."

HAYLEY LLAMBIAS - CO-FOUNDER OF WE BUILT YOUR WEBSITE

The internet can make life easier in many ways, catching up with family and friends, paying your bills, ordering the weekly food shop and even finding love, all in the comfort of your own home. However, it does also come with the risks of scams and fraud and a place for people to be taken advantage of due to the anonymity of the person sitting on the other end of the computer screen. Did you know, amongst children and teens being the most vulnerable online, the elderly are also becoming the ideal target for predators?

Many of us would be able to identify phishing scams, but for the elderly who are either new to the internet or don't use it as often, these scams can be very convincing. So, how can we keep our elderly relatives safe online?

- Create strong and unique passwords
- Add a two-step authentication to your accounts
- Always log out
- Make sure your Antivirus program is up to date
- Think before you post
- Ask for support
- Think before you act

FAREWELL MESSAGES

At the end of September, Mary Liszka, our Home Visitor retired after 17 years of service at Age Concern Epsom & Ewell. Many of our clients would have met Mary within the comfort of their own homes pre-pandemic, with some of them only having the pleasure of a telephone based appointment during the pandemic. Either way, the level of compassion and understanding that Mary displayed each and every day was second-to-none.

With Mary's help and guidance, Age Concern Epsom & Ewell were able to help thousands of people within our older community to live and remain as independent as possible, for as long as possible. We would like to wish Mary a very happy retirement and all the best for the next chapter of your life.

At the end of November we also say goodbye to Charlotte Hornblow our Fundraising and Marketing Coordinator. Charlotte has been with Age Concern Epsom & Ewell for over 2 years and has worked tirelessly to raise vital funds during the pandemic.

Charlotte is relocating to the Isle of Wight with her family at the end of November. We wish Charlotte and her family all the best with their move and all the best for her new role at the Mountbatten Hospice, Isle of Wight and can not wait for a few postcards.

CHANGES TO OUR DONATION PLATFORM

For the last 2 years, when our supporters wanted to donate online, they have done so via our Virgin Money Giving (VMG) page. A subsidiary of Virgin Money, VMG was created 12 years ago when Virgin Money began its sponsorship of the London Marathon. This year the sponsorship comes to an end. As a result VMG will stop operating on 30 November 2021 following the race in October.

What does this mean for Age Concern Epsom & Ewell and our future donors?

Fear not!! We are currently working with Donr, a new fundraising platform which we used last year to run our Text-to-Donate campaign, to create a brand new fundraising page by December 2021, with exciting new payment features meaning that you can process one-off donations via card, Apple Pay, Google Pay and PayPal, and regular donations via Direct Debit and mobile phone payment options to come in 2022. Until then, donations can still be made either via our website or by cash or over the telephone by calling 01372 732 456.

RECENT EVENTS

Snowdon Trek

On the 7th August 2021 – 8th August 2021 a team of Age Concern Epsom & Ewell fundraisers set off to explore the highest mountain in Wales and England by moonlight to raise vital funds for our charity!

Whilst most of us were tucked up nice and warm in our beds, our team of fundraisers, donning their waterproofs, made their way up, the longest path on Mount Snowdon. With less than 40 minutes remaining until they were due to reach the summit, at around 2400ft,

event organisers and the Llanberis Mountain Rescue Team made the heartbreaking, but sensible decision to call the event off. After hours of trekking, the team had to turn around and start heading back down the mountain, and within an instant, torrential rain and wind blasted them from every direction.

Age Concern Epsom & Ewell are very proud of our fundraisers for taking part in this challenge and know, without a doubt that, had the British weather not made conditions too dangerous to continue, they would have made it to the top.

We are delighted to announce that our amazing team of fundraisers raised a whopping **£3448**, which will help to make a difference within our local older community, here is Epsom & Ewell.

Thank you to our team of fundraising heroes James Ambrose, Alex Warsop, Rosie Hobbs, Carly Catling, Dawn Coller and Charlotte Hornblow.

Age Concern Epsom & Ewell would also like to thank our local business supporters, who sponsored our Snowdon at Night Trek: The Family Building Society, Eastop-Scopes Virtual Assistants, Epsom & Ewell Families, All Things Nice, We Built Your Website, ALTetude French Tutoring, Anytime Fitness Epsom, Health Choice Zinzino, A-Z Business Coaching, GK Electrical Solutions and Surrey Accountancy.

If you would like to take part in a challenge event on behalf of Age Concern Epsom & Ewell, then we would love to hear from you. Fancy a trek, a skydive or a parachute jump? Whatever your challenge event looks like - we can support you with it. Please email us at charlotte.hornblow@ageconcernepsom.org.uk and provide us with details of your event!

RECENT EVENTS

Volunteer's Thank You Event 2021

On Sunday 29th August, we hosted our first volunteer party in nearly 2 years at Horton Golf Park.

At this year's event, we really wanted to say thank you to all of our volunteers for all of their hard work and dedication, especially during the pandemic.

Our volunteers were joined by The Mayor and Mayoress of Epsom & Ewell, Age Concern Epsom & Ewell Staff and a few of our borough's Councillors.

We wanted to take this opportunity to say thank you to our event funders Virgin Media O2 and Epsom & Ewell Borough Councillors Eber Kington, John Beckett and Steven McCormick. Without their contributions, our event would not have been the success that it was.

Another very special thank you to Hallways Residential Estate Agents who supplied our delicious cupcakes, which seemed to disappear very quickly.

For those of our volunteers who were unable to make it this time around, fear not! We would love to see you at our next volunteers function.

To keep up-to-date with our volunteer events and general ACEE news, please sign up to our newsletter at www.ageconcernepsom.org.uk.

Community Fundraising Nights

Our amazing community supporters are continuing to find new and fun ways to raise awareness and funds for Age Concern Epsom & Ewell. Last month a group of local business owners who enjoyed their time at our charity curry night, decided that they would host their own fancy dress party and raise funds on our behalf. Thank you to Devenia from Epsom & Ewell Families, James from Bramptons Chartered Surveyors and Valuers, Gabrielle from Utility Warehouse, Nicola from Ms Tidy Owl and Michael from Aspen Finance for raising £100 at their 80's themed party - You all look amazing!!!!

If you fancy hosting your very own fundraising party, we would love to hear from you - please email charlotte.hornblow@ageconcernepsom.org.uk

NOTES

A large, light-yellow rectangular area with a decorative, torn-edge bottom. It contains 20 horizontal lines for writing, alternating between dark blue and red colors. The lines are arranged in pairs, with a red line on top and a dark blue line below it, repeated ten times.
