Our Local Lottery for Local People

Our Lottery Club is a fabulous fundraising activity that gives **YOU** the opportunity to win cash prizes every month.

40% of all money raised is paid out in prizes
60% supports our work in the community

Your contribution supports all the vital services that we provide for the older generation in our borough including our Information & Advice support line and our befriending service for those who live alone in the community.

Age Concern Epsom and Ewell also offers Home Visiting to support older people with applying for benefits; Medical Transport Service; Sunday Afternoon Teas and a Men's Club which meets regularly through the year. For other ways in which we support the older generation in the borough, please give us a call or visit our website.

You can support our work by playing our local lottery and being in with a chance to win one of three cash prizes every month. Just £24 a year buys you one ticket to win!

Remember - you've got to be in it, to win it!
